Comparative ECP ranking	middle

MAIN ECP OBJECTIVES

- Promote international and intercultural exchange and cooperation
- Sweden to reach a higher level of attractiveness as a study and knowledge nation
- Sweden's Policy for Global Development: foster peace, human and women's rights, and sustainability

POLICY CONTEXT

- ECP as a sustained effort to develop Sweden's international identity – "Brand Sweden"
- The so-called 'Swedish model' (i.e. the country's knowledge-based economy and advanced welfare state) as an example setter
- Sweden's assumed internationalist role to guide other countries toward a sustainable and more equal future

REGIONAL FOCUS AND INSTITUTIONAL EMPHASIS

- Swedish Institute in Paris, France
- Sida's research cooperation: Bolivia, Cambodia, Ethiopia, Mozambique, Rwanda, Tanzania, Uganda

¹ Refers to the sum of budget items: Swedish Institute, Information about Sweden abroad, Cooperation within the Baltic Sea region, Nordic Cooperation, Grants for Swedish teaching abroad, Education and University Research (Int. programs), and Government grants for general cultural activities, development, and international cultural exchange and cooperation. Please note that for the latter (= €45.33 million) there is no specific information on "international cultural exchange and cooperation" which means that value could be skewed.
